

## ADVICE ON ARREST

Say “**NO COMMENT**” to all questions during casual talk, ‘booking in’, and police interviews. When you get to the police station, you may wish to give your name, address and date of birth to speed up your release. For your own safety & protection and for that of other people, don’t answer any further questions.

You have the right to **FREE LEGAL ADVICE** at the police station. Duty solicitors are often not protest specialists, so we recommend you ask the police to contact one of the following law firms for **FREE LEGAL ADVICE**:

**Robert Lizar - 07900 998999**

**Singleton Winn Connell - 07904 190124**

Do **NOT** accept a **CAUTION** without advice from one of the firms listed above. A caution is an admission of guilt and goes on the police national computer.

You have the right to have someone informed of your arrest. Make this CASP Back Office (unless otherwise arranged): **07783 176190**

You are also entitled to an interpreter if English is not your first language. If you are or appear to be under 18, an appropriate adult should be called.

## LEGAL QUESTIONS?

If you have any legal questions about protest, contact: [xr-legal@riseup.net](mailto:xr-legal@riseup.net)

If you witness an arrest, or have been arrested, call CASP Back Office on **07783 176190**

Legal Observers are independent volunteers who gather evidence on behalf of protestors and act to counter police intimidation and misconduct. Read more about your rights and protest legislation at:

**STOP AND SEARCH:** You do not have to give any personal details (name, address etc.) under any stop and search power. Please see the above websites for more details. Legally, you must be told the reason for the search and the power under which you are being searched. Ask the police **“Under What Power?”** if they want to search you or if they ask you to do anything else.

**Please fill in the CASP database after your release so that we can offer you Post-Arrest**
